

REES Senior Living Leader Presents “Design Choices to Fit Your Budget” at PANPHA’s Annual Conference and Expo

REES Vice President of Senior Living Design and Research, Beverly Brandon, AIA, CASP, LEED AP will present “**Design Choices to Fit Your Budget**” at PANPHA’s Annual Conference and Exposition on June 25th at 2:30 pm EST in Hershey, Pennsylvania.

You only have so much money to make your vision a reality. How do you know if the design you have been given makes the most sense for the budget you have? In this session, Beverly will highlight relative costs for typical building systems, interior finishes and architectural details often used in senior living projects and which of these systems are typically used for what market segments.
