

## REES EMPLOYEES EARN CASP DESIGNATION

*Ken Baker*

*Christopher Villanueva*

REES employees Ken Baker and Christopher Villanueva have been honored by the Coalition for Leadership in Aging Services (CLAS) as members of the 2009 Certified Aging Services Professional (CASP) graduating class.

After successfully completing 45 hours of professional training and three comprehensive examinations, Mr. Baker and Mr. Villanueva were awarded the CASP designation and recognized at a graduation ceremony during the 2009 annual meeting of the American Association of Homes and Services for the Aging. Mr. Baker and Mr. Villanueva were among approximately 100 graduates of the class of 2009, and join a notable group of over 1900 individuals nationwide who have earned their CASP certification.

Ken Baker serves as Vice President and leads the firm's Senior Living specialty from REES' Atlanta office. Christopher Villanueva joined REES in 1999 and is an Associate and project manager in the firm's Dallas office.
