

FRANK REES TO SPEAK AT AMAR CONFERENCE

Dr. Frank Rees, Jr., AIA, LEED AP, will participate in a panel of distinguished speakers at the Mexican Association of Retirement Communities (AMAR) "2B Alive" Conference on May 7th in San Antonio, Texas.

Dr. Rees' presentation will focus on Tres Marias, a world-class retirement community currently under development in Morelia, Mexico. The discussion will cover the project's sustainable features and architectural challenges, and will be followed by questions and answers from the audience.

REES, a founding member of the Mexican Association of Retirement Communities (AMAR), is a recognized leader in senior living design worldwide. The firm has completed projects in over 35 countries totaling more than \$21.8 Billion (USD) in construction value. REES' Mexico City presence and expertise further enables the enhancement of the lives of seniors. Dr. Rees currently serves as Chairman and CEO of Rees Associates, Inc.
