

REES ANNOUNCES NEW DALLAS DIRECTOR OF OPERATIONS

REES is proud to announce the promotion of Robert W. Genter, AIA, RID, LEED AP to the position of Director of Dallas Operations.

Genter, a Vice President of the firm, joined REES in 1995. During his tenure with REES, he has worked on notable projects for a variety of clients, including the University of Houston, Sears Methodist Retirement System, the Dallas Independent School District, CNN, and the Texas Department of Transportation.

A recipient of the J.B. Chenoweth award for outstanding client service, Genter holds a Bachelor of Interior Architecture from Kansas State University and is a Registered Architect and Registered Interior Designer in the State of Texas. He earned the status of LEED Accredited Professional in 2008. He currently resides in Dallas with his wife and two sons.

"Rob's contributions to the Dallas office have been tremendous over the past fifteen years," said Allan R. Parr, AIA, LEED AP, REES' Executive Vice President and Chief Operating Officer. "His commitment to client satisfaction and quality are exemplary. This new role will allow Rob to apply his natural leadership abilities at the next level in our organization. I am proud to welcome Rob into the role of Director of Operations for the Dallas office."
