

## REES ASSOCIATES, INC. NAMES SENIOR DIRECTOR OF DESIGN

REES announces its new Senior Director of Design, Farooq Karim, AIA, IIDA, LEED AP. Farooq has been a REES team member for 16 years and was recently the recipient of the JB Chenoweth Award.

*"During my 16 years at REES I have learned that the most important factor in having a successful career is having good people around me. I have always been lucky to have great people to learn from, work with and to lead. This new position will allow me to continue this tradition and build a strong culture of design throughout the firm in the years to come,"* said Karim.

*"We look forward to REES continuing to grow the value of its design services under the direction of Farooq Karim. His proven leadership abilities will now benefit the entire international scope of REES,"* explained Dr. Frank Rees, President and CEO.
